E. T. LABA.

ROBERT D. ANDERSON, 22, Woodland Hills, California, received a B.S. in Wildlife Management from Utah State University, Logan, Utah in June, 1967. He lived in Honolulu, Hawaii for about six years and graduated from high school there. While in college he was active in campus politics. He has worked in a department store, on a road construction crew, and for the U.S. Fish and Wildlife Service on an agricultural rodent control and pesticide development project. After receiving his degree he spent a summer conducting an ecological study of an elk herd for the U.S. Forest Service on the Salmon National Forest in Idaho. His interests include reading, photography, and most outdoor activities such as hunting, fishing, and camping. (AG. EXT.)

JOSEPH BASSMAN, 22, is from Denver, Colorado. He just received his B.A. in August from the University of Colorado where he majored in Speech, so to speak. He has previously been employed both during the Summer and part-time during the school term as a salesman. He has also been the sales manager of a Hi-fi store and an assistant group leader of a progressive children's summer camp. His interests seem to be politics and science. His hobbies are electronics and mechanics, sports (handball, skiing, camping and motorcycling), and drama.

(TESL)

RICHARD G. BEMAN, (Dick), 21, San Marino, California, received a B.A. in English from Stanford University in August, 1967. He spent his freshman and sophomore years at UCSB. He spent six months at the Stanford campus in Florence, Italy. While in college he worked at Disneyland as an ice cream scooper. He participated in University Ski Clubs and spent one Christmas vacation skiing in Austria and Northern Italy. He was attending school in Florence when the Arno flooded in November, 1966. After the flood, he worked in the National Library and in a hospital, helping to clean up. His interests are reading and outdoor sports, particularly surfing and skiing. (TESL)

REGGIE BERRY, 21, of 313 Virginia Street, Walnut Ridge, Arkansas, received a B.S. in Business Administration from Harding College, Searcy, Arkansas. While attending college his summer work included selling Bibles door-to-door in Ohio, working in Lawrence Memorial Hospital in Walnut Ridge, and also working at Arkansas State Mental Hospital in Little Rock. His interests include Religion, sports, and politics. While in college he participated in intramural sports and service organizations. (COOP)

RICHARD BONE, 22, from Philadelphia, Pennsylvania graduated from PMC Colleges in May of 1967 with a B.A. in English, minoring in History. His interests are journalism and sports. He will pursue a career in journalism or advertising.

(TESL)

JOHN BOYD, 26, of 718 Clark Street, Evanston, Illinois, graduated from Illinois College with a major in French and a minor in English. During his junior year he traveled in Europe and spent ten months studying in France. After graduation, he taught for two years in a small rural school. In 1964, he moved to the Chicago area to teach at Proviso West High School. During the summers he had done graduate work, traveled in the United States, and counseled at the Union League Boys Club. He spends his leisure time reading, listening to music of all kinds, swimming, playing tennis, and sketching.

(ENGLISH)

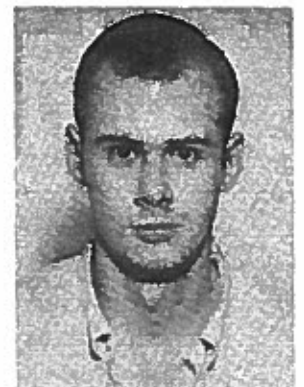

ERROL C. BRIGGS, born January 29, 1943, at Mechanio Falls, Maine, was educated in the Public Schools of Mechanio Falls, Harrison, and Bridgton, Maine. He attended the University of Maine, obtaining a B.S. degree in Wildlife Management in June, 1965. Graduate work was done at the University of Massachusetts, where an M.S. degree in Forestry was earned. He grew up on a farm where dairy cattle and poultry were raised and such crops as beans, corn, cucumbers and other vegetables were grown. Much farm work was done during eleven year's membership in 4-H. His interests include travel, ecology, plant and animal taxonomy, and hiking.

(FORESTRY)

ELDEN BUERKLE, 25, of Chicago, Illinois received a B.A. in Philosophy from the University of Illinois in August, 1965. He has completed the requirements for an M.A. in History at the University of Illinois and will receive the degree in October, 1967. While in college he worked as a waiter, a clerk in the check room of the student union, and as a clerk in the library. His hobbies include reading, swimming, and tennis.

(TESL)

BARBARA BUKAR, 23, of Neenah, Wisconsin, received a B.A. in English from Marquette University, Milwaukee, in June 1965. After graduation she worked for a large company in the stockholder relations department. In 1966 she moved to Minneapolis where she was employed by the University of Minnesota. Her work consisted of secretarial and editorial duties in the promotion of activities of the University's Extension Division. She has worked as a volunteer in hospitals in Neenah and in Minneapolis. Her interests include reading, swimming, tennis, biking, playing piano and listening to records. (SECRETARIAL)

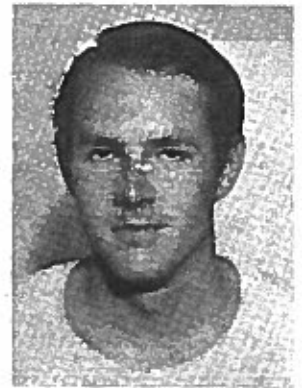

LINDA CARLSON, 21, of Plainfield, N.J., graduated with a B.A. in history from Stanford University in June 1967. Part-time jobs include assistant teaching in a private summer school, waiting on tables, and working for a congressman in Washington, D.C. She spent six months at Stanford's campus in Tours, France, and three months traveling and staying with a French family.

(TESL)

DAVID CASS, 24, of Boulder, Colorado received a B.A. degree from the University of Colorado in June 1967. Prior to his graduation he served a year with VISTA on the San Carlos Apache Reservation in Arizona where he conducted adult education classes, tutored high school students, and assisted the Community Action Committee. He has worked several summers at his family's ranch in Wyoming and in Colorado as a construction laborer. At college, he worked with a juvenile delinquent. His interests include skiing, horses, reading, and travel. (TESL)

THOMAS CHENOWETH, "Tom", 22, of San Francisco, California received a B.A. in Psychology from San Francisco State College in 1967. While in college he worked as a part-time grocery clerk. Later on he worked as a mail-clerk at the Pacific Coast Stock Exchange. His interests include golf, reading and music. His main interest is people. (TESL)

BARRY DAMUTH, 22, Red Lion, Pennsylvania received a B.A. in Liberal Arts from the Pennsylvania State University in June, 1967. While he was in college he worked for two different travel agencies as a campus representative. His summer jobs have included working for the Pa. Dept. of Highways, United Parcel Service, and as a clerk in a department store. His college activities included participation on the Fencing Team, the advertising staff of the college newspaper, and in Tau Kappa Epsilon social fraternity. His other interests include painting, music, tennis, riding, golf, and the cinema.

(TESL)

His freshman year was completed at Yakima Valley Junior College. During his four years of college he worked in a department store selling mens' clothing while performing stockroom duties. He is interested in world affairs and sports. His hobbies include most sports and reading.

(COOPS)

GREGORY DAWN, 22, Castro Valley, California received a B.A. in Psychology in 1967 from San Jose State College, San Jose, California. Raised in Alameda, California, he worked as a newsboy from ages 10-14. He spent his high school summers as a gardener, amusement ride operator, grocery stock clerk and operator of his independent janitorial service. College summers were filled as carpentars' apprentice, O.R. orderly, gas attendant and summer school. He is interested in world affairs, biological sciences, animals and sports. Current hobbies include reading, music and camping.

(TESL)

DAVID DOWNES, 21, of Douglaston, N.Y. (near New York City), received a B.A. in English from Trinity College, Hartford, Connecticut in June 1967. While in college he worked two summers as program director of a church camp. During his junior year he was editor of the weekly student newspaper and the following summer he was a reporter on a metropolitan daily paper. While in college he was also active in the drama club. After graduation he spent six weeks as a teaching assistant in English at the secondary level in a summer school; immediately preceding training he was acting director of the news bureau at Trinity College. His hobbies include reading, writing, bridge, soccer, tennis and skiing.

(ENGLISH)

DANIEL DWORKIN, 24, Quincy, Mass., received a B.A. in History with a minor in Anthropology from the University of Texas and is presently pursuing an M.A. in History at the University of North Carolina. During high school he worked one summer in a yacht yard and part-time in a supermarket. In the summers of his college years he worked as a camp counselor, hardware salesman, and garden supplies salesman. While working on his Master's degree he held part-time positions as a chauffeur and as a grocery clerk. He sang in a university choral group and played intramural tennis and table tennis in college. His hobbies include swimming and boating, guitar, singing and tennis. (TESL)

MARY ANN FIEG, 23, of 307 North Ashland Avenue, La Grange Park, Illinois, taught English last year at Proviso West High School in Hillside, Illinois, after receiving her bachelor's degree from Northern Illinois University in June of 1966. After graduation from college, she traveled in Europe for nine weeks. She has been active in dramatics for many years and spent two summers with a theatrical group of fellow students. Attending sporting events of all kinds, sewing, and reading are favorite past-times of hers. (ENGLISH)

ROBERT FIRESTONE, 22, Normalville, Pennsylvania received a B.S. in Food Technology in June 1967 from the Pennsylvania State University. He was raised on a 50-acre farm and worked on it throughout the year while still in high school. While in college he spent two summers working in a dairy processing plant and one summer on pipeline construction. During Christmas vacations and part-time he washed dishes and worked as a bus-boy in a ski resort and a campus cafeteria. Reading and sports are his two main hobbies.

(AG EXT)

WILLIAM GALANTI, "Bill", 26, of Chicago, Illinois, received his B.S. in Sociology at Loyola University (Chicago) in 1966. Last year he worked in one of Chicago's inter-city schools, substituting and teaching swimming to the 7th and 8th grades. He recently returned from South American where he visited freinds who are P.C. Volunteers in Bolivia. He was also able to do a little traveling. He enjoys mechanics of all types, is a jazz buff, and recently became a ski enthusiast.

(AG EXT)

THOMAS GORE, "Tom", 22, San Luis Obispo, California, received a B.S. in Agriculture from California State Polytechnic College, San Luis Obispo, along with a major in Agriculture Business Management. Before college he worked on a poultry ranch during the summer months. Throughout his last year of college he worked for the Fruit Production and Grounds Department at the college. He was raised in San Jose, California, and worked as a groundsman for the San Jose Unified School District during the summer months while attending college. He is now cutting firewood and working part-time in a warehouse near San Jose. His hobbies include hunting and fishing.

(COOP)

RICHARD GOULETTE, 22, having previously lived in Minnesota and Maryland, resides presently in one of Chicago's northern suburbs. He is expecting to receive a B.S. in Animal Science (via a correspondence course -- God willing) from the University of Illinois before he leaves for training. He also attended the University of Wisconsin and Kansas State University. Between school terms, his summers have been spent at a variety of occupations, such as lifeguard, assistant cook, construction worker, Chicago transit bus driver, and production scheduling at a steel mill. His hobbies include judo, a stint at skydiving, horseback riding, and motorcycling. He is interested in becoming a veterinarian, raising his own horses, and traveling around the world at least once before settling down to a family and a career. (AN HUS)
